INDEX

TO

BRAIN:

A JOURNAL OF NEUROLOGY,

FOR

VOL. XLI, 1918.

INDEX OF AUTHORS.

Adrian, E. D. PAGE
Conduction in peripheral nerve and in the central nervous system 23

Fildes, Paul, Parnell, R. J. G., and Maitland, H. B.
The occurrence of unsuspected involvement of the central nervous system in unselected cases of syphilis 255

Head, Henry.
Sensation in the cerebral cortex 57

Head, Henry.
Some principles of neurology 344

Hunt, J. Ramsay.
The existence of two distinct physiological systems for the transmission of motor impulses in peripheral nerves 302

Maitland, H. B., Fildes, Paul, and Parnell, R. J. G.
The occurrence of unsuspected involvement of the central nervous system in unselected cases of syphilis 255

Orr, David, and Rows, R. G.
The interdependence of the sympathetic and central nervous systems 1

Parnell, R. J. G., Fildes, Paul, and Maitland, H. B.
The occurrence of unsuspected involvement of the central nervous system in unselected cases of syphilis 255

Rows, R. G., and Orr, David.
The interdependence of the sympathetic and central nervous systems 1

Sherrington, C. S.
Observations on the sensual rôle of the proprioceptive nerve-supply of the extrinsic ocular muscles 332

Sherrington, C. S.
Stimulation of the motor cortex in a monkey subject to epileptiform seizures .. 48

Turnbull, H. M.
Intracranial aneurysms 50

INDEX OF SUBJECTS.

PAGE

Aneurysms, intracranial. H. M. Turnbull 50

Central nervous system in unselected cases of syphilis, the occurrence of unsuspected involvement of the. Paul Fildes, R. J. G. Parnell and H. B. Maitland .. 255

Cerebral cortex, sensation and the. Henry Head.. 57

Cerebrospinal fluid, estimation of cells in. Paul Fildes, R. J. G. Parnell and H. G. Maitland 267

Cerebrospinal fluid, globulin and albumen tests in. Paul Fildes, R. J. G. Parnell and H. B. Maitland 270

Cerebrospinal fluid, Wassermann reaction in. Paul Fildes, R. J. G. Parnell and H. B. Maitland 268

Cortex, Cerebral, sensation and the. Henry Head 57

Hypertonus, the existence of two distinct physiological systems for the transmission of motor impulses in peripheral nerves. J. Ramsay Hunt 321

Hypotonia, sensation and the cerebral cortex. Henry Head 148

Injury to peripheral nerves, restoration of motor function after. J. Ramsay Hunt .. 306

Localization, anatomical, of sensory functions in the cortex. Henry Head.. .. 161

Lumbar puncture, method of. Paul Fildes, R. J. G. Parnell and H. B. Maitland .. 267

Motor cortex, stimulation of the, in a monkey subject to epileptiform seizures. C. S. Sherrington 48

Motor impulses in peripheral nerves, the existence of two distinct physiological systems for the transmission of. J. Ramsay Hunt 302

Neurology, some principles of. Henry Head 344

Ocular muscles, extrinsic, observations on the sensual rôle of the proprioceptive nerve-supply of. C. S. Sherrington 332

Peripheral nerve, conduction in, and in the central nervous system. E. D. Adrian .. 23

Proprioceptive nerve-supply of the extrinsic ocular muscles, observations on the sensual rôle of the. C. S. Sherrington 332

PAGE

Sensation and the cerebral cortex. Henry Head 57

Subcortical lesions, sensation and the cerebral cortex. Henry Head 134

Sympathetic nervous system, the interdependence of the, and central nervous system. David Orr and R. G. Rows 1

Syphilis, the occurrence of unsuspected involvement of the central nervous system in unselected cases of. Paul Fildes, R. J. G. Parnell and H. B. Maitland .. 255

Wassermann reaction, the occurrence of unsuspected involvement of the central nervous system in unselected cases of syphilis. Paul Fildes, R. J. G. Parnell and H. B. Maitland 268
